

November 15, 2021

Dear TOCS Families,

Our music classes have been hard at work since the end of August, preparing music for our TOCS Christmas Program 2021, ***Christmas All Over the World***, scheduled for **Friday, December 3rd at 7:00 pm**. Please be praying with us that we bring glory to our Savior and encouragement to our families through this special presentation required for all music students.

I have listed the **wardrobe color requirements** for our program **by grade**. Boys should wear **black pants** (no denim) and a collared shirt in their assigned color. Girls can wear a dress or separates in their assigned colors. If wearing neutral-colored separates, girls should wear **black pants or skirt** (no denim). If your child has any authentic wardrobe pieces from the country they represent, please have them wear those special items. **Kindergarten** students should wear Christmas colors (red, green, white). All clothing items should meet the school dress code as described in the 2021-22 TOCS Student Handbook.

Thank you for your part in making our program a success and for encouraging your children as we look forward to sharing this special program with you in a few short days!

Sincerely,

Mrs. Kimberly McGee, TOCS music
