As a convenience for our families we are offering to order Chick-fil-A beginning in April **for the rest of the year** for your child. Simply choose the item of choice—it will be the same item each week and there will be no credits issued if we miss for inclement weather or your child misses for a field trip, because you've already ordered for the year. Please mark the meal you are choosing in the left column and enclose the correct payment amount.
