A word from Mrs. Biebel—

Dear TOCS Families,

I do hope you enjoyed all of the scripture and worship music from last Thursday evening's Christmas performance. The music instruction of Mrs. McGee, piano playing of Dr. Lewis, and all of the students' musical talents and scripture readings definitely glorified God.

As we look ahead to January's entrepreneur event, please keep making and building your items. We need students who will be participating to sign-up at the office, so we know how many tables to have ready for this fun and creative event. For those not participating by making things, we'd love for you to participate through looking and

purchasing items on Friday, January 26, 2024 from 3:30-5:30. Following the carline, families will be able to enter through the gym doors to enjoy all of the creative ideas.

Please know that each of your families is prayed for daily and that we are here to support you and yours spiritually and academically. Please call the office if you have a prayer request that you would like added to the "School Family Prayer Concerns" section of the News in a Nutshell. I know that I speak on behalf of the TOCS faculty, staff, and other families when I say that we appreciate your prayers as well.

Just a reminder—

The 12 Days of Christmas Dress-up Days: (please refer to the flyer that came home attached to last week's "nutshell" if you need an explanation of how to dress!

Merry Christmas,
