A WORD FROM MRS. BIEBEL—

Dear T.O.C.S. Family,

It's such a blessing to be back to learning time, consistency, and fun for students! We are grateful to Eastside Baptist Church for reaching out to schedule a time with the Christian illusionist they brought to town. David Corn came yesterday afternoon to share God's plan of salvation along with some amazing acts for our students; please join us in prayer for open hearts as he reaches out to others this week with the Good News of Jesus.

For those who previously ordered and paid, lunch credits for the days that we missed will not be issued until the lunch order that begins after spring break.

Students are welcome to wear appropriate non-dress code Valentine's Day clothing this Thursday if they would like to fully immerse in the fun.

Our annual and fun Entrepre-

neur Event will be taking place on February 27 from 3:30-5:00, so if you plan to craft and create, you may want to begin working on items if you haven't already. Please call the school office between now-February 25 to reserve a table to display your items.

Please know that each of your families is prayed for daily and that we are here to support you and yours spiritually and academically. Please call the office if you have a prayer request that you would like added to the "School Family Prayer Concerns" section of the News in a Nutshell. I know that I speak on behalf of the TOCS faculty, staff, and other families when I say that we appreciate your prayers as well.

In His Name's Sake,

Amy Pfaff-Biebel
T.O.C.S. Administrator
